

REMARKS

The Notice of Non-Compliant Amendment mailed September 13, 2004, states that the Amendment filed on September 1, 2004, is defective in that the drawing sheet submitted is not marked replacement or annotated.

The reason that the drawing submitted was not so marked is that the drawing sheet was neither a replacement page nor an annotated page, but rather an entirely new page of drawings. However, in the event that it is improper to submit an entirely new page of drawings which is not labeled, Applicants have submitted herewith a page with new Figure 11 marked "Replacement" in the top margin.

Respectfully submitted,

Ira J. Schultz

IN THE DRAWINGS:

Please add new Figure 11 as attached to the drawings  
in this application.
